

Enrollment for Provider Link

STAT Home Health

Provider Link is a secure on-line portal via Homecare™ Connections that gives physicians and their staff individually protected access to real-time information about the referred patients.

As a Physician enrolled with STAT Home Health's Provider Link portal, you can:

- ◆ Approve or decline orders from their computer with their secure electronic signature.
 - ◆ Request alerts to changes in a patient's condition on a patient-by-patient or visit-by-visit basis.
 - ◆ Compose and electronically sign home health face-to-face narratives.
 - ◆ Track activity and the corresponding billing code number via the Homecare HomebaseSM system.
- ◆ View patients' vital stats and charts, schedules, diagnoses, medications, open and approved orders, wound histories and outcomes.
 - ◆ Utilize graphical tool to view a patient's entire episode of care with complete details of the patient's progress.
 - ◆ Access patient's data for round-the-clock care.
 - ◆ Utilize the built-in billing report summary identifying eligible claims and showing what can be billed by the corresponding billing code number.
 - ◆ Improve compliance to certify and re-certify homebound status and care.
 - ◆ Use Provider Link with confidence of HIPAA-compliant environment.
